

# 14th International Conference ADMA 2024 Nanjing China November 16-18 2024

The 14th International Conference on Advanced Data Mining and Applications (ADMA 2024) will be held in Nanjing, China, from November 16 to 18, 2024. ADMA is a premier international conference in the field of data mining and its applications, and it provides a forum for researchers and practitioners to exchange the latest research results and best practices.

## Advanced Data Mining and Applications: 14th International Conference, ADMA 2024, Nanjing, China, November 16–18, 2024, Proceedings (Lecture Notes in Computer Science Book 11323) by Guojun Gan

Print length : 809 pages  
Screen Reader : Supported

The conference will cover a wide range of topics in data mining, including:

- Data mining algorithms and techniques
- Data mining applications in various domains
- Big data mining

- Cloud computing and data mining
- Machine learning and data mining
- Artificial intelligence and data mining

The conference will feature keynote speeches from leading researchers in the field, as well as invited talks, paper presentations, and poster sessions. There will also be a number of workshops and tutorials on topics of interest to the data mining community.

ADMA 2024 is an excellent opportunity to learn about the latest advances in data mining and its applications, and to network with other researchers and practitioners in the field. We encourage you to submit your papers and attend the conference.

### **Important Dates**

- Paper submission deadline: March 15, 2024
- Notification of acceptance: May 15, 2024
- Camera-ready paper submission deadline: June 15, 2024
- Conference dates: November 16-18, 2024

### **Submission Guidelines**

Papers submitted to ADMA 2024 should be original and unpublished, and should not exceed 8 pages in length. Papers should be formatted according to the Springer LNCS style.

### **Registration**

Registration for ADMA 2024 will open in June 2024. The registration fee will include access to all conference sessions, materials, and coffee breaks.

## **Location**

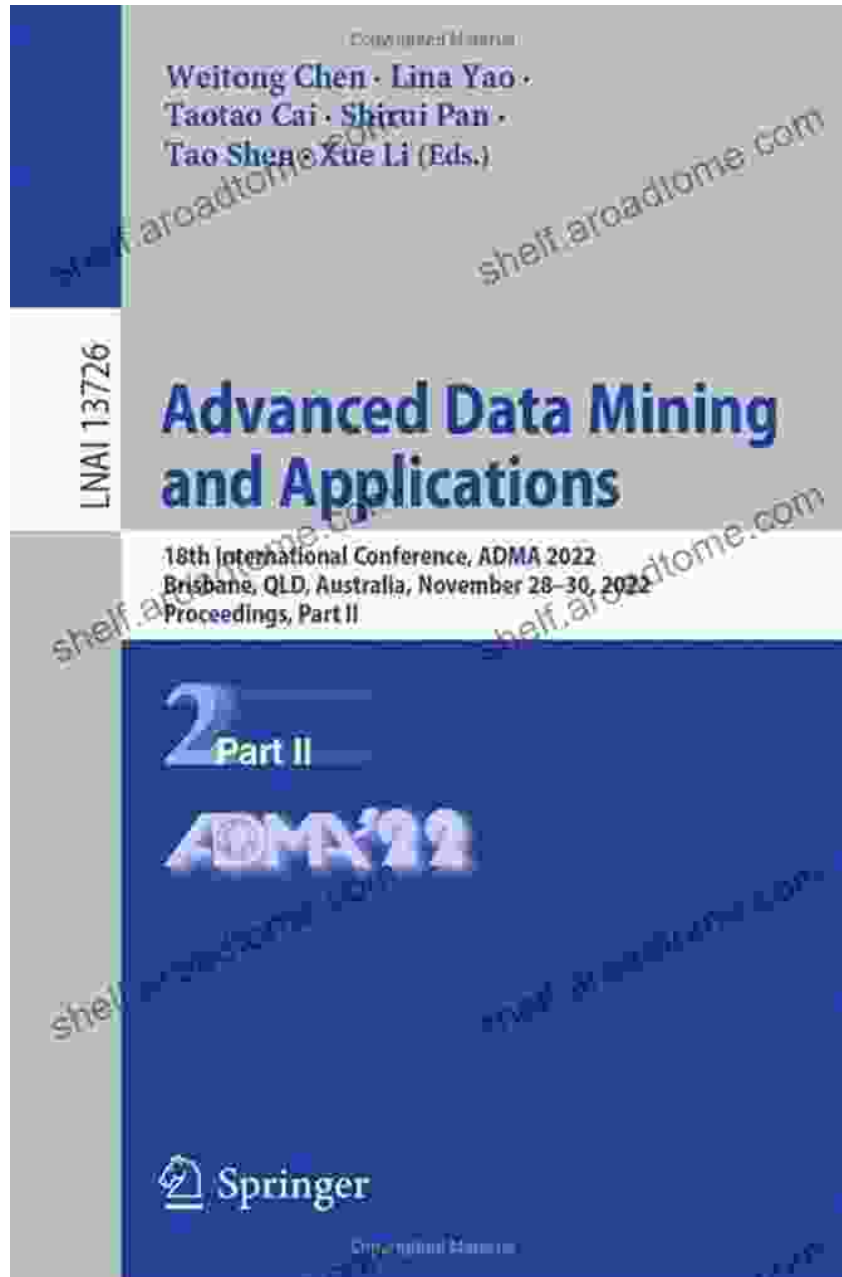

ADMA 2024 will be held at the Nanjing International Conference Center in Nanjing, China. The conference center is located in the heart of Nanjing, and is easily accessible by public transportation.

## **Accommodation**

A number of hotels are located near the conference center. We recommend that you book your accommodation early, as Nanjing is a popular tourist destination.

## **Contact Us**

If you have any questions about ADMA 2024, please contact the conference secretariat at [adma2024@nju.edu.cn](mailto:adma2024@nju.edu.cn).
