In this powerful autobiography, a woman named Grace shares her incredible story of overcoming unimaginable challenges to find hope and healing.

Grace was born into a life of poverty and violence. Her parents were both alcoholics, and she was often left to fend for herself. At the age of 12, she

was raped by a family friend. This traumatic experience led to years of self-destructive behavior, including drug addiction and prostitution.

But even in her darkest days, Grace never gave up hope. She eventually found the strength to get clean and rebuild her life. She went on to become a successful businesswoman and a devoted mother. She also became an advocate for other survivors of trauma, sharing her story to help others find hope and healing.
