

Blackhawk 107: The Story of the Bravest Mission in Vietnam War History

On January 21, 1968, a U.S. Army helicopter was shot down in North Vietnam. The crew was captured and held prisoner for seven years. *Blackhawk 107* is their story.

The helicopter was on a mission to rescue a downed pilot when it was hit by enemy fire. The crew was forced to land in a hostile area, and they were quickly captured by the North Vietnamese. The crew was taken to a prison camp, where they were subjected to torture and interrogation. Despite the hardships they endured, the crew never gave up hope. They knew that they would eventually be rescued, and they were determined to survive.
