Dr. Weiss's journey into the realm of past lives began when he was treating a young woman named Catherine who was suffering from a variety of psychological problems. During a session of hypnosis, Catherine began to speak in a different voice and recount a past life as a young woman named Anne Frank. Dr. Weiss was initially skeptical, but as Catherine continued to provide details about Anne Frank's life that were unknown to Dr. Weiss, he began to believe that she was genuinely experiencing a past life memory.

Dr. Weiss has since treated thousands of patients who have undergone past life regressions. He has found that past life regression can be a powerful tool for healing a wide range of psychological problems, including anxiety, depression, phobias, and addictions. Dr. Weiss believes that past life regression can help us to understand the root of our problems and to find healing and resolution.

In *Coming Back*, Dr. Weiss presents a wealth of evidence for reincarnation, including case studies of his own patients, as well as research from other scientists and scholars. He also discusses the therapeutic benefits of past life regression and provides a step-by-step guide to help readers explore their own past lives.

*Coming Back* is a fascinating and thought-provoking book that will challenge your beliefs about life and death. It is a must-read for anyone who is interested in reincarnation, spirituality, or healing.

### **What Readers Are Saying**

"*Coming Back* is a groundbreaking book that will change the way you think about life and death. Dr. Weiss's research is compelling and his insights are profound. This book is a must-read for anyone who is interested in reincarnation, spirituality, or healing."

- Deepak Chopra, author of *The Seven Spiritual Laws of Success*

"Dr. Weiss is a pioneer in the field of past life regression. His work has helped thousands of people to heal from trauma and to find peace and happiness. *Coming Back* is a must-read for anyone who is interested in exploring their own past lives."

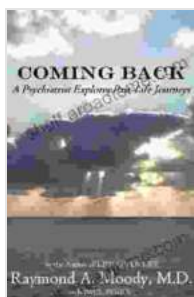

- Dr. Wayne Dyer, author of The Power of Intention

"Coming Back is a fascinating and thought-provoking book. Dr. Weiss's research is well-documented and his insights are insightful. This book is a valuable resource for anyone who is interested in reincarnation, spirituality, or healing."

- Dr. Larry Dossey, author of Healing Words
