Master the Art of Guitar Editing

Once you've recorded your tracks, it's time to edit them to perfection. Pro Tools 11 Ignite Guitar Head provides detailed instructions on how to use editing tools such as the Grid Editor, Sample Editor, and Elastic Audio. You'll learn techniques for fixing timing issues, removing unwanted noise, and enhancing your guitar tones.

Unlock the Secrets of Guitar Mixing

Mixing your guitar tracks is an essential step in achieving a well-balanced and polished sound. Pro Tools 11 Ignite Guitar Head covers essential mixing concepts such as panning, EQ, compression, and reverb. You'll

learn how to create the perfect guitar sound for any genre, from rock to blues to country.

Explore Advanced Guitar Effects and Techniques

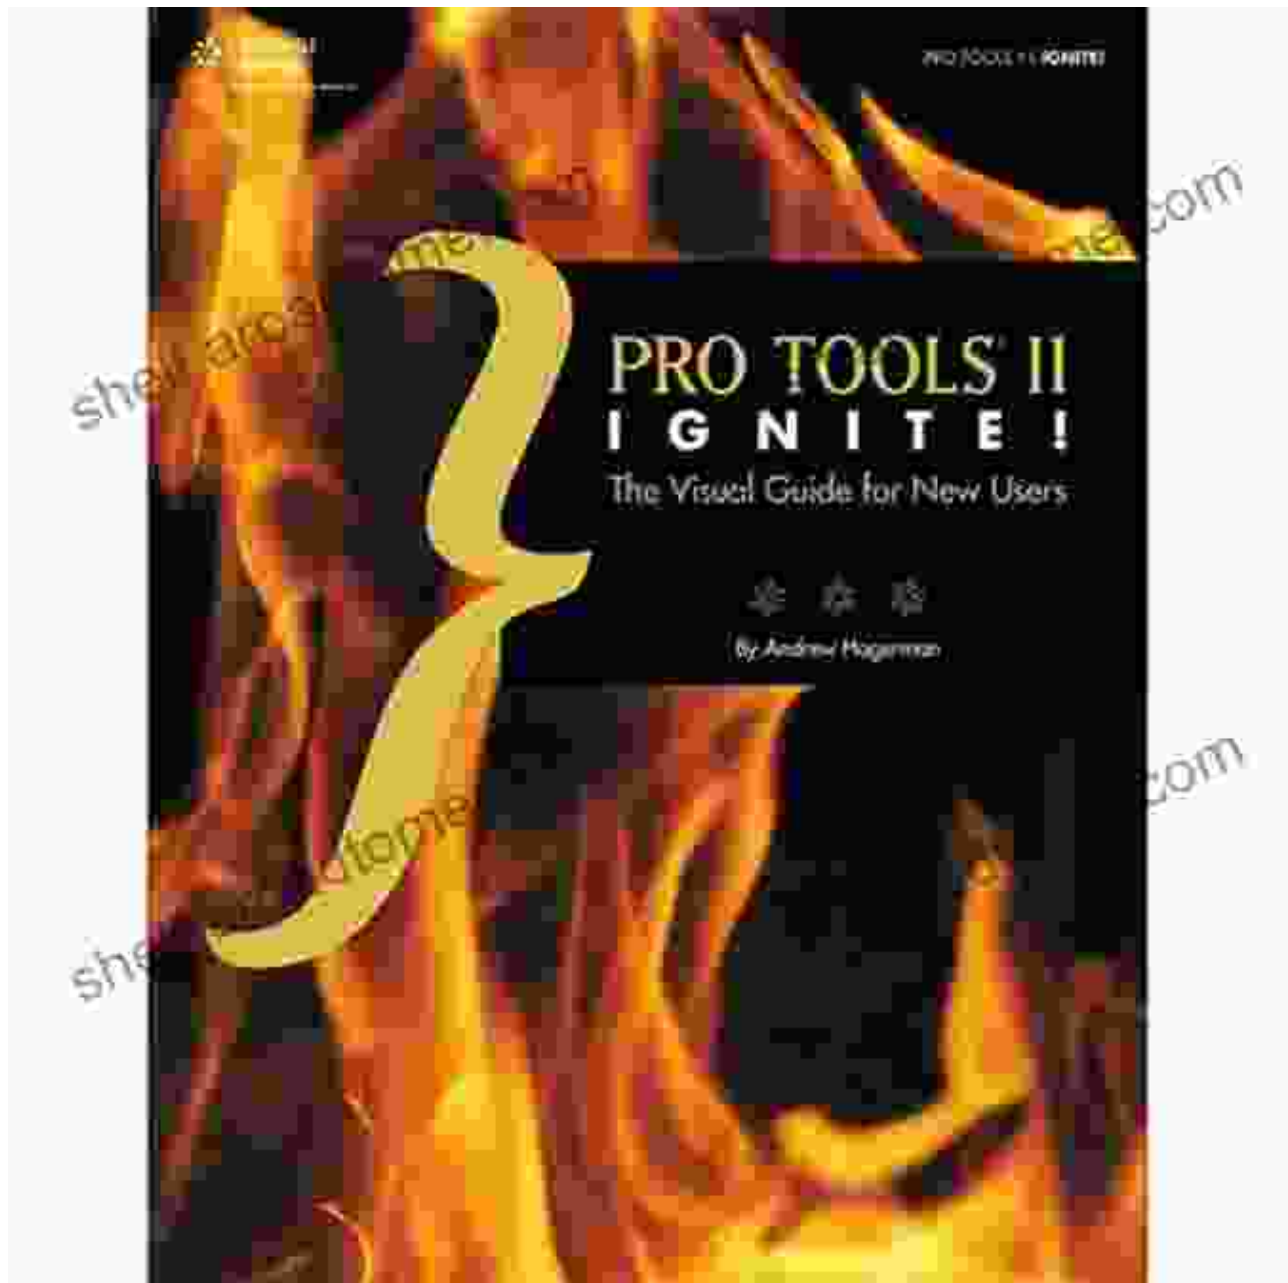

Take your guitar playing to the next level by exploring advanced effects and techniques in Pro Tools 11. Discover how to use delay, modulation, distortion, and pitch correction to add depth, texture, and excitement to your guitar tracks. You'll also learn about advanced techniques such as re-amping and using MIDI to control your guitar effects.

A Guided Journey for Every Guitarist

Whether you're a beginner looking to record your first guitar riff or an experienced guitarist seeking to refine your skills, Pro Tools 11 Ignite Guitar Head has something to offer. The book is organized into chapters that progress from basic concepts to advanced techniques, ensuring that you learn at your own pace. With clear explanations, detailed illustrations, and practical exercises, Pro Tools 11 Ignite Guitar Head makes learning Pro Tools and guitar production accessible to all.

Ignite Your Guitar Playing with Pro Tools 11

Don't settle for mediocre guitar recordings and mixes. Empower yourself with the knowledge and skills you need to create professional-quality music with Pro Tools 11 Ignite Guitar Head. Free Download your copy today and embark on a journey that will ignite your guitar playing and elevate your music to new heights.

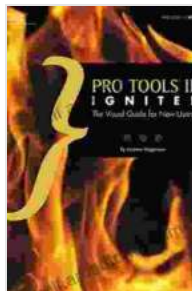

About the Authors

Bruce Bartlett is a renowned guitarist, producer, and educator with over 30 years of experience in the music industry. He has played on countless recordings, toured the world with major artists, and taught guitar at Berklee College of Music.

Frank Marchini is a Grammy-winning producer and engineer with a long history of working with top guitarists. He has produced albums for artists such as Joe Satriani, Steve Vai, and John Petrucci.

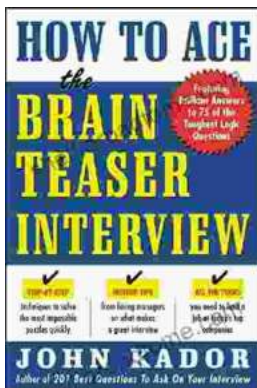

Together, Bartlett and Marchini have created an indispensable guide that will empower guitarists of all levels to achieve their full potential in the world of recording and production.
