

Today Is The Day: A Novel by Billy Crystal

Synopsis

Today Is The Day is a novel by Billy Crystal that follows the story of a man named Jack Burdick. Jack is a successful businessman and family man, but he is also a man who is living in the past. He is haunted by the

memories of his childhood, and he is unable to let go of the pain that he has experienced in his life.

One day, Jack is diagnosed with cancer. This diagnosis forces him to confront his own mortality and to start living in the present moment. Jack begins to appreciate the simple things in life, and he starts to make amends with the people he has wronged in the past.
