Historical Context

The book begins by examining the historical foundations of transatlantic and Euro-Mediterranean relations. It traces the evolution of these relationships from ancient times to the present day, highlighting key events and figures that have shaped their development.

Political Dynamics

The authors explore the political dynamics between Europe, North America, and the Mediterranean region. They analyze the role of major powers, such as the United States, Russia, and the European Union, in shaping regional alliances and resolving conflicts.

Economic Interdependence

The economic interdependence between the transatlantic and Euro-Mediterranean regions is examined in depth. The book discusses trade patterns, investment flows, and the impact of globalization on regional economies.

Security Challenges

Security cooperation and challenges are central to the book's analysis. It examines the role of NATO, the Mediterranean Dialogue, and other international organizations in maintaining regional stability.

Cultural Diversity

Transatlantic and Euro-Mediterranean relations are also influenced by cultural diversity. The book explores the rich cultural heritage of the region

and examines the ways in which cultural exchange and understanding can foster cooperation.

Key Features

- Comprehensive coverage of transatlantic and Euro-Mediterranean relations
- Analysis by leading scholars in the field
- Historical, political, economic, security, and cultural perspectives
