

Transplantation: An Issue of Anesthesiology Clinics: The Clinics

This issue of Anesthesiology Clinics, edited by Drs. John P. Kampine and Michael S. Cahalan, focuses on Transplantation. Articles will include:

- Donor Management for Lung Transplantation: The Role of the Anesthesiologist
- Perioperative Management of Pediatric Liver Transplantation
- Perioperative Management of Adult Liver Transplantation: A Hepatic Anesthesiologist's Perspective
- Perioperative Management of Heart Transplantation
- Perioperative Management of Kidney Transplantation: Donor and Recipient
- The Role of Anesthesiology in Pancreas Transplantation
- Perioperative Management of Small Bowel Transplantation
- Perioperative Management of Multivisceral Transplantation
- Special Considerations for Bone Marrow Transplantation: The Role of Anesthesia and Perioperative Management
- Perioperative Management of Hematopoietic Stem Cell Transplantation

This issue is essential reading for anesthesiologists and other healthcare professionals who care for patients undergoing transplantation.
